

Individual Call to Scientific Employment Stimulus - 5th ed.

Applications open from 3 February to 3 March 2022

The Individual Call is aimed at PhD holders of any nationality or stateless with a background in any scientific area who wish to develop their scientific research or technological development activity in Portugal. Applicants should indicate the host institution where they will develop their research plan. The selected doctorates are directly hired by the identified host institution, through FCT funding. The contracts are divided into four categories of researcher – Junior, Assistant, Principal and Coordinator.

The call is open from 3 February 2022 until 3 March 2022, 5 p.m. (Lisbon time).

The Institute of Art History (IHA) accepts to be the host institution for applications that fall within the scope of its [strategic lines](#) and the scientific plans of its [research groups](#).

All applicants interested in IHA must submit their application by February 14, 2022 to the unit's Executive Coordination (iha@fcsh.unl.pt) and the Board (j.cunhaleal@fcsh.unl.pt), accompanied by the following data and documents:

– for non-IHA researchers:

- Short academic and scientific curriculum, with a careful selection of the main activities and results obtained in the last 5 years, highlighting international publications;
- ORCID and CIÊNCIA ID (CiênciaVitae CV).

– for all:

- A summary research plan, accompanied by a careful selection of the main activities to be developed and expected results;
- Integration of the plan into the IHA strategic lines and the scientific plan of the R&D group.

Notification of acceptance will be sent on February 21, 2022.
