

# Individual Call to Scientific Employment Stimulus - 6th ed.

Applications open from 4 April to 3 May 2023

The Individual Call (CEEC) is an annual competition that directly supports the hiring of PhD researchers, in all scientific areas, who wish to carry out their scientific research or technological development activity in Portugal, in the institutions that make up the National System of Science and Technology / Sistema Nacional de Ciência e Tecnologia (SNCT).

CEEC contracts last up to 6 years and are awarded, in this edition, according to three categories: Junior Researcher, Assistant Researcher and Principal Researcher.

The Art History Institute (IHA) accepts to be the host institution for applications that fall within the scope of its [strategic lines](#) and the scientific plans of its [research groups](#).

All interested candidates must submit their application acceptance request by **April 17, 2023** to the Executive Coordination ([iha@fcsn.unl.pt](mailto:iha@fcsn.unl.pt)) and the Board ([alexandra.curvelo@fcsn.unl.pt](mailto:alexandra.curvelo@fcsn.unl.pt)), accompanied by the following data and documents:

- For non-IHA researchers:

- Summary of the scientific and curricular path, with a careful selection of the main activities and results obtained in the last 5 years, highlighting international publications;
- Curriculum Vitae;

- For all:

- A summary research plan, accompanied by a careful selection of the main activities to be developed and expected results;
- The way in which the candidate considers that the proposed research plan is integrated in the strategic lines of the IHA and in the scientific plan of the R&D group;
- All documentation must be written in English.

IHA notification of acceptance will be sent on April 24, 2023.
